Check ahead at the Embassy of Slovenia in your country. You can apply for a visa three months prior to departure, but no later than 15 calendar days before.

The application will most likely require you to present:

TRAVELLING TO LJUBLJANA

How to reach Ljubljana? Click [HERE](#).

By airplane

Plane ticket prices may vary significantly from one provider to another, and the service varies as well. Before booking, check the amount of luggage, included in the price. Usually, when purchasing a plane ticket, we also pay the risk of cancellation (especially in current times). Also, make sure the name you provide when booking a plane ticket is exactly the same as stated on your documents (passport or ID card).

Slovenia has one large commercial airport, [Ljubljana Airport](#) (LJU). It is located approximately 20km from Ljubljana. You can take a taxi from the airport to the city or book a [GOOPTI](#) transfer, which is cheaper, but you will most likely share the ride with other passengers. The closest airports to Ljubljana are Zagreb (Croatia), Vienna, Graz (Austria), Trieste or Venice (Italy) and Budapest (Hungary).

By train

The main rain station is located directly in the center of Ljubljana. To check possible railway connections, choose *International transport* on the [Slovenian railways web page](#).

By bus

The main rain station is located directly in the center of Ljubljana. To check possible railway connections, choose international transport on the [Ljubljana bus station web page](#).

THE INSURANCE

The participants are responsible for insuring themselves and their luggage on the way. The arrangements of insurance should be taken care of prior to leaving for the mobility. Before coming to Slovenia make sure you have [appropriate health insurance coverage](#) (including for accidents and liability) and enough supply of any prescription medications that you need. If you have medical issues, you should contact the [Student Health Centre of the University of Ljubljana](#), which has a team of qualified professionals.

GETTING AROUND IN LJUBLJANA

Transport around Ljubljana is easy with city transport:

- **Bus** [connections are pretty good](#), one fare is EUR 1.50, however, you cannot pay for city bus fares in cash. Those wishing to travel on [Ljubljana city buses](#), should purchase the [Urbana](#) public transport card, available from LPP ticket offices, tourist information centers and most of the newsstands and post offices. Erasmus students can buy a monthly subsidized Urbana, but you need to have your student status papers, which are provided by the Ljubljana School of Business in the first week of your mobility. The bus stop for bus No 6 and 6b in front of our school is called Glince (No 703082). The bus stop across the street (direction city center) is also called Glince (but No 703081). You can check the timetables [here](#).
- **Rent-a-bike** BicikeLJ is available for the sunny days. It operates 24/7 and offers more than 60 stations, from 300 to 500 meters apart, easily accessible, and ideal for overcoming short distances. More [here](#).
- **Taxi** service is widespread in Ljubljana, however, we do not have Über in Slovenia. Avoid getting a cab ad hoc, we suggest you call for it, it might be much cheaper. Always choose the car with an obvious Taxi sign. A few taxi services: [Taxi METRO](#) (provides a useful app), [Taxi CAMEO](#) (also provides an app), [Taxi LAGUNA](#).
- Since the city is quite small, you will probably be getting around **on foot** most of the time.

SUBSIDIZED STUDENT MEALS

Student meals for Erasmus+ students are subsidized through meal vouchers. Each student receives around 22 vouchers monthly (depending on the number of working days in the respective month), the value of one voucher is 3,86 EUR. Some canteens offer a full meal in exchange for a voucher, however, most restaurants require extra payment up to approximately 4,30 EUR. For this price, usually a complete lunch is served (soup, main course, salad, dessert).

At least 4 hours must pass between using two vouchers. More info [here](#).

Many students cook their own meals. To get an idea of food prices in Slovenia, you can check two online grocery stores (only available in Slovene): [Mercator](#) and [SPAR](#), we also have [Hofer](#) (Aldi) and [Lidl](#), which are discounters, so prices can be lower. Food market with fresh local fruit and vegetables in the center and at some other locations around the city.

STUDENT WORK OPPORTUNITIES

During your studying in Slovenia and with student status you may work via [student job centres](#) or, rather, a job referral note.

BANKING IN SLOVENIA

Opening a [bank account](#) is possible at almost any bank in the Republic of Slovenia. It is safer to deposit your money in an account – carrying large amounts of cash is not recommended. Using a card is the most common way to pay in Slovenia. Most shops, hotels and restaurants accept Eurocard, VISA, MasterCard, Diners Club, American Express and other payment cards.

TAX IDENTIFICATION NUMBER

You will need a [tax identification number](#) to open a bank account (to work via a student job centre, receive a scholarship from a Slovenian institution, etc.).

MOBILE PHONES

There are four main phone carriers in Slovenia: Telekom, A1, Telemach, and T-2. Each carrier offers a wide variety of cell phones, and you can choose from different pre-pay plans. Please visit a local store or their website for more information.

KEEPING SAFE

[Slovenia](#) is considered to be a relatively safe destination. According to data from the Global Peace Index, Slovenia is ranked among the 10 safest countries in the world. However, it is important that you [take precautions](#) in keeping yourself and your possessions safe.

THINGS TO DO

Slovenia is a sustainable destination of unique experiences that we enjoy sharing with you. Take time to discover our beautiful green country, where the Alps meet the Mediterranean and the Pannonian Plain. Ljubljana is a very lovely and vibrant city to live in. It boasts numerous sights, picturesque districts and pleasant corners. → [10 of Ljubljana's Top Attractions](#)
