Details

Organization name	American Story
Organisation description	American Story is a unique experience in teaching English. It offers a new generation of services for adults and children alike, from conversational English to academic English for different ages and abilities. American Story's interactive environment provides a dynamic and diverse space for its members to explore their communication potential. Story offers an intercultural simulation where members can practice, live and socialize in an engaging way. At American Story, members can practice English in small group activities, receive individualized coaching and workshops, and attend cultural events.
