

Weekly announcement leaflet

The Delegation of the European Union to Ukraine will, on a weekly basis, produce an announcement leaflet on the events scheduled to be held in the EU and Ukraine for a coming week.

The leaflet will cover the most topical and timely events – summits, high-level meetings, roundtables, conferences, etc. – that will take place in the EU and Ukraine and which directly target Ukraine's European integration and its relations with the EU.

The Delegation of the European Union to Ukraine encourages journalists, EU-focused experts, Ukrainian NGOs, local authorities, etc. to freely use and disseminate leaflet information

Announcements: 6 – 12 July
