Evaluation policy

- **Deadline and Recompilation Policy:** Entries that fail to meet deadlines without good reason are rated lower (-20 points). Relocation of modules takes place with the permission of the dean's office if there are good reasons (for example, hospital).
- **Academic Integrity Policy:** All written works are checked for plagiarism and are allowed to be defended with correct text borrowings of no more than 20%. Write-offs during tests and exams are prohibited (including using mobile devices). Mobile devices may only be used during online testing (for example, Google classroom).
- **Attendance policy:** Attendance is a mandatory component of the assessment for which points are awarded. For objective reasons (eg illness, international internship) training can take place online in consultation with the course leader.

The final grade for the course is calculated as follows:

Types of evaluation	% of the final assessment
Interviews during classes - orally	20
Module 1 (topics 1-7) - discussion of cases	20
Module 2 (topics 7-12) - discussion of cases	20

Exam (topics 1-12) - tests, tasks, cases	40
--	----
